About Mrs. Dean

I am truly blessed to be a part
of the Velma Penny team!

This is my 16th year to teach.

Special Ed has a special place
in my heart and I am very
happy to be teaching

Resource Reading again this
year! I live in Lindale with my

husband of 32 years, Ben. I
have two beautiful grown
girls, Lily and Calla and I love
when they come 'home'. I

love yard work, reading, and
running! I'm grateful God has
given me another year on this
earth to teach! 😊
